

Virginia Tech Naval ROTC

For students entering Summer or Fall 2009

- 1. Please advise students of a MANDATORY Naval ROTC Interest Session on Day 1 of Orientation.** This session will be from 9:00-10:00 a.m. on the FIRST day of the two-day orientation and will take place in TBD.
- 2. Paperwork should be handed in during the Interest Session.** This paperwork and instructions can be found at <http://www.usnavy.vt.edu/students/students.htm> for both Scholarship and College Program Midshipmen.
- 3. All incoming freshmen must take one Naval ROTC class per semester.** This Fall there are 4 sections of the first required Naval ROTC class available. The class is MN 1004 and has CRN's of 94403, 94404, 94405, 94406. **There is a mandatory lab linked to this class that meets from 3:30-4:45 on Tuesday afternoons. Signing up for the class will automatically sign you up for the lab.** In addition, it is highly encouraged that freshmen sign up for a math class which will help freshmen earn Naval ROTC scholarships. If qualified (see advisor), those in technical majors should take MATH 1205/1206, and those in non-technical majors should take MATH 1016/2015. For more information about required Midshipmen classes, please reference this link to the Midshipmen handbook: http://www.usnavy.vt.edu/inst5000.1_midn_handbook.doc.
- 4. If you have any questions,** please contact us at 540-231-7883 or e-mail our recruiting officer, LT Jeremy Browning at brownjp@vt.edu.
