

SCHIFFERT HEALTH CENTER INFORMATION

Immunization History Forms are due from all new students entering Virginia Tech Spring 2009 before classes begin on January 20, 2009. Non-compliance will not prevent the student registering for or attending classes for Fall 09. Non-compliance will prevent the student from getting first choice of classes for Fall 09 because a block is placed on their registration when pre-registration for Fall is scheduled. The block will not be lifted until the student is in compliance with the Code of Virginia immunization requirements. Immunization requirements are dictated by the Commonwealth, not Virginia Tech.

Site for Immunization History Form and the Tuberculosis Assessment Form (both required) is <http://www.healthcenter.vt.edu/pdf/HealthHistory.pdf>

Student Medical Insurance is available through the Risk Management Department. Their office is located in Student Services Building and phone is (540) 231-6226. Medical insurance is not required for domestic students, but is highly recommended.
