## FEATURE SPOTLIGHT

### Introducing the Student App

The Navigate Student App is launching in time for VAACR on June 7! Things to know now:

- The staff interface is not changing
- Students will be prompted to download the app when accessing a campaign link or personal availability link
- In the app, students will be able to schedule appointments, view their class schedule, create a to-do list, find resources on campus, ask for help, and answer a set of questions that will customize their experience
- Reach out to your [Navigate Advisory Team Liaison](#) if you have any questions
- Demonstration material is coming soon!

### COURSE REQUEST RESULTS:

20,940 students completed course request for Fall 2024, 73% of the student population (excluding spring and summer graduates).
